## ANALYTICS DATA SECTION DESCRIPTIONS

These descriptions are to assist you in determining which data sections a user may need access.

### MY ANALYTICS

This section contains summary data reported by your institution on fall enrollments, faculty, and financial trends. The Find My Peers report (see below) is also included. Access to this section requires the user to have access to Fall Enrollments, Faculty & Staff, and Financial sections.

### FIND MY PEERS

The section contains the Find My Peers report which provides users with institutional peers based on selected characteristics, such as academic programs offered, student body counts, primary instructional faculty counts, and more.

### ADMISSIONS

This section contains ASPPH members' admissions data, including application trends, matriculation reports, and peer comparisons, from ASPPH Annual Reporting and SOPHAS data.

### FALL ENROLLMENTS

This section contains ASPPH Annual Reporting fall enrollment trends and peer comparisons.

### COMPLETIONS & GRADUATION RATES

This section contains ASPPH Annual Reporting completions (graduates) for all degrees and graduation rates for public health degrees. This is also where you can find the National Center for Education Statistics (NCES) dashboard with degree completion data.

### GRADUATE OUTCOMES

This section contains ASPPH Annual Reporting graduate outcomes data, including graduates' employment, continuing education, and debt.
